How The Process Works

Simple and Easy

Here's how to ship your bag:

1. Contact the GBS reservation center. Please have your pick-up and delivery address and credit card information available. To avoid additional charges for expedited delivery of the shipping kit, please place your order 5 (five) business days in advance.
2. A shipping kit, including an airway bill and special plastic container (SPC), will be sent to you. We recommend covering your golf bag in a light soft travel cover bag and then into the SPC for shipment.
3. On the scheduled date, a courier will pick up the SPC. We'll handle the rest. Your golf clubs will be delivered to your destination in 2 business days (5 business days for international destinations). That's it.

If you are ready to ship:

- o [Book online](#) or
- o Call our GBS Reservation Center at 1-888-465-3463 (1-888-Golf-4-Me)

Shipping Guidelines

SPC Guidelines

The standard pricing is for golf bags weighing 33 pounds or less. All golf bags over 33 pounds will incur an additional \$2.00 charge per pound for each additional pound. International shipments are for 40 pounds or less and incurs a \$3.00 per pound charge for each additional pound.

The SPC is designed to ship golf bags only. Fragile and easily damaged equipment should not be shipped in the SPC.

All Golf Bags is recommended to be covered in a soft travel cover before placing in the SPC.

Please do not fill SPC's with protective materials such as "popcorn", styrofoam, or cardboard.

Do not reuse old SPC's since they are optimally designed for one time use, and re-use may compromise the integrity of the SPC.

Scheduling and Rescheduling a Pick-up

Scheduling a pick-up

When you make your purchase online or by calling the GBS reservation center, you will be asked to give your desired pickup date. You should schedule the pick-up at least 2 business days (and preferably 5 business days) in advance of the pickup date.

Reschedule a Pick-up

If you have a change in itinerary and need to reschedule, please call GBS two business days prior to the pick-up date. You will not be charged. Any changes made within two business days prior to the pickup date will incur a rescheduling fee of \$10 dollars which will be charged to your account.

Cancelling a Shipment

To obtain a refund please see our online customer service page for instructions.

Avoiding Extra Luggage, Golfbagshipping.com Launches Its New Shipping Service For Golf Enthusiasts

by Jon P.

Thanks to Golfbagshipping.com, golf enthusiasts can play anywhere in the United States without worrying about the hassle of transporting their golf equipment ever again!

Golf Bag Shipping (GBS), a new start-up company based in Fremont, CA, offers a nationwide service to have your golf equipment picked up and delivered to your golfing destination within two days. The bags can be picked up from anywhere and delivered to anywhere—for example, from your home directly to your hotel. After play, the bags can be automatically sent back home or to another destination.

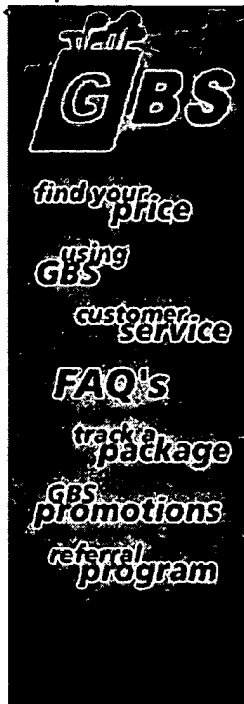

Especially when travelling by air, the extra burdens involved in transporting golf equipment are inconvenient at best. GBS offers you complete autonomy and freedom from the extra luggage that golfers must deal with when travelling. Golf Bag Shipping's worry-free shipping convenience offers a superior alternative to manually carrying golf equipment during trips.

"We're enthusiastic about this service because, as a frequent golfer, I understand the frustration and hassle that carrying your own equipment can be. We also expect that this service will encourage an increase in the amount of tee-time play during business trips and short vacations. If the price is right, why would anyone want to carry their equipment to the airport terminal again?" said John Young, president and CEO of Golfbagshipping.com.

Prices range from \$39-\$59, falling into three simple price categories based on the distance of the shipment. Shipments within 600 miles are \$39, shipments from 601-1400 miles are \$49, and shipments farther than 1400 miles cost \$59. (A surcharge is added for shipments to Alaska or Hawaii.)

To begin shipping, simply call GBS to obtain a travel package that contains a special container and all necessary shipping documents. Since the package is sent by Priority Mail, which can take up to three days, GBS recommends to call at least five days in advance. In the future, GBS hopes to set up distributorships at every major golf course and retail service shop so that shipping packages can be more quickly and easily obtained. Golf enthusiasts can obtain more information about the services GBS offers by calling (toll-free) 1-888-Golf-4-Me (1-888-465-3463), or by visiting online at Golfbagshipping.com.
